Dear Community Partner,

For nearly 60 years, The Children's Center has been committed to supporting working families across the Lowcountry by providing high quality, affordable early childhood education and childcare. Every day, our classrooms give children the strong foundation they need to thrive while ensuring their parents can maintain stable employment and contribute to a strong local workforce.

As childcare costs rise and state subsidy support declines, many families in our community are facing greater challenges than ever before. Without additional support, many parents risk losing the reliable care they depend on for consistent employment and their children's academic and social development.

Your partnership can change this.

We invite you to support The Children's Center by becoming a sponsor of the Swing for the Future Golf Tournament on September 14, 2026, hosted at the prestigious Long Cove Club. This annual tournament brings together business leaders, community partners, and supporters for an exceptional day of golf with one goal in mind: strengthening families and helping every child in the Lowcountry get the best possible start in life.

Sponsorship also offers meaningful recognition and visibility. With more than 2,000 engaged supporters on our mailing list and a strong social media presence, your organization's commitment will be showcased to a broad audience that values businesses investing in children, families, and community wellbeing. Tournament sponsors also receive recognition throughout the event at Long Cove Club, one of Hilton Head Island's premier private golf communities.

Enclosed, you will find the Sponsor Registration Options, outlining the levels of participation and the benefits associated with each. With sponsorships starting at \$150 and extending to our premier \$10,000 ACE Sponsor level, there is a meaningful way for every supporter to get involved.

Early sponsors receive the most visibility as we begin promoting the tournament across our platforms. Your generosity directly impacts local families and helps ensure that children have the opportunity to learn, grow, and succeed.

If you have any questions or would like to discuss sponsorship opportunities, I would be happy to connect at your convenience. Thank you for considering this meaningful opportunity to support The Children's Center and invest in the future of our community.

With gratitude,

Marsha S. Watson
