THANK YOU FOR CONSIDERING THE CHILDREN'S CENTER

The Children's Center is not a child care facility, we are an early childhood education center, dedicated to providing a learning environment that enhances the physical, social, emotional, cognitive, linguistic and creative development of your child.

Our mission is to offer early education and child care services at affordable rates for all our families. Our tuition is built on a sliding scale, offering those who need assistance the opportunity for discounted tuition.

Our goal is to build a strong foundation for each child to build upon, leading to a lifetime of educational and personal growth and success.

The attached forms must be completed and returned prior to enrollment. All forms must be complete and immunization records provided prior to your child's first day of attendance.

We look forward to serving your family in the days and years ahead.
