## Tuition Assistance

The mission of The Children's Center is to *ensure high quality early education and childcare services are available and affordable for working families.*

To apply for tuition assistance, parents or guardians must be working or a FT students and must provide the following information:

# of people in household

# of people receiving income in the household:

Proof of income for **ALL** income earners in the household.

This information can be submitted along with your child's or children's application.

All families will be charged full tuition until TCC has verified household income. If a family is eligible for tuition assistance, the account will be credited and weekly billing adjusted.

The Children's Center can also provide help in applying for South Carolina ABC Child Care voucher program for eligible families.

Tuition assistance is provided through the support of the community and several local foundations. It is through this generosity that we are able to continue the mission of our founders.

The Children's Center believes early childhood education program pay dividends for your child's lifetime and we are pleased to partner with you to build a foundation for future success.

We are honored you have chosen The Children's Center to trust for the education and care of your child.
